

Oil Separator

For HXL2-HXL4 Pumps

Masport has extended its range of components, and now offers its Oil Separator in Aluminum.

This new Oil Separator uses Masport's high efficiency design to capture any oil carryover from the pump. This helps to eliminate unnecessary mess and cleanup, ultimately saving you time and money.

Masport quality and performance

- ▶ 99% efficient - eliminates oil carryover
- ▶ Available with either 1 1/2" or 2" plumbing
- ▶ Designed for pump sizes up to 175 CFM
- ▶ Pressure tested to ensure no leaks
- ▶ Ball valve drain included
- ▶ One year performance warranty

Oil Separator

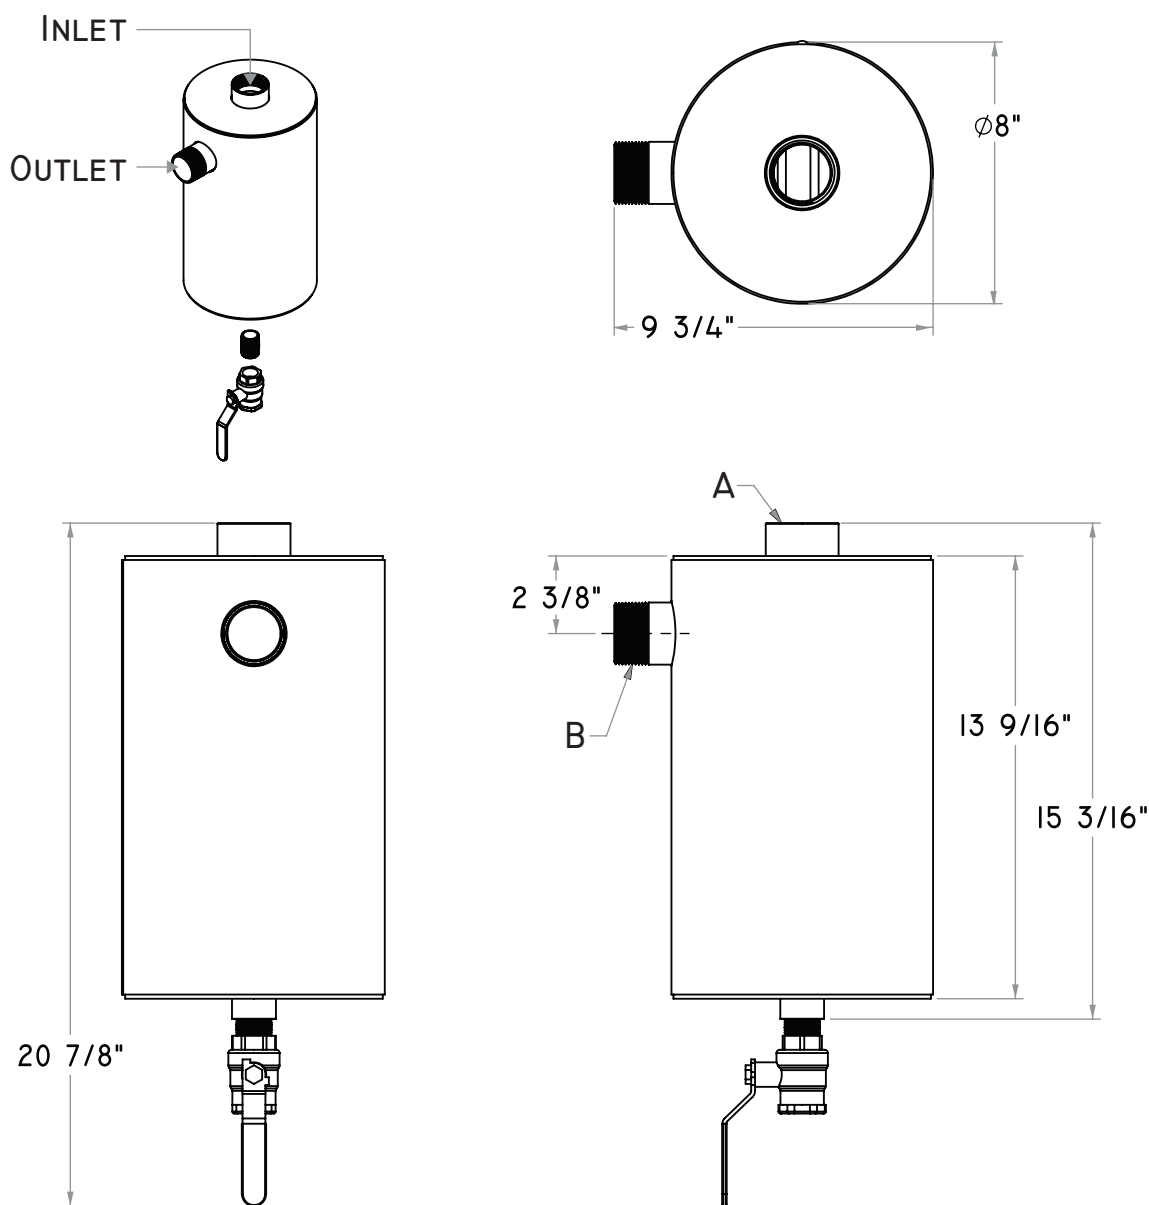

For HXL2 - HXL4 Pumps

BUILT FOR THE HARD WORKING PUMPER

Oil Separator
